

SOLAR FIRE INTERPRETATIONS REPORT

Solar Fire Synastry Interpretations

(c) 2004 - 2010, Seeing With Stars Pty Ltd

This report has been written to introduce you to the concepts of astrology and how to get started in relationship astrology. Astrology is a complex and meaningful science which takes years to study and apply successfully; however, we would like to whet your appetite with this report, and encourage you to deepen your understanding through other means.

Astrology is a study of the connection between planets and life on Earth. It is based on a concept that energy patterns form between other planets and Earth and that these energies affect our lives as individuals and communities.

An astrological chart, also known as a horoscope, natal chart, or birth chart, records the relationship between the planets and the signs of the Zodiac. Charts can be calculated for the birth of a person, a community, an event or anything that seems momentous. The horoscope is as individual and unique as a fingerprint.

When using these interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection your chart, as it is likely that you do experience conflicting desires, events and circumstances in your life. Usually it is the responsibility of an astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Please also be aware of the fact that each person has positive and negative influences in the chart, and therefore in their lives. The challenge is to accept and overcome the negative influences, so that we can successfully focus on the positive traits. This report outlines the influence of both people's charts on each other. This is called relationship synastry meaning the comparison of two horoscopes and the correlations discovered. It is likely that the report will show both the strengths and weaknesses of the relationship synastry. Any advice given is meant to be an aid to a person taking responsibility for their own lives and their own choices within a relationship. The ultimate decision rests with each individual. The author and publisher accept no liability for any adverse affects of this report.

ASPECTS FROM HILARY CLINTON TO BILL CLINTON

Hilary's Moon Sextile Bill's Moon

Orb 2°32' Separating

The Moon is considered one of the personal planets in relationship astrology. A positive combination of personal planets is believed to augur well for intimate unions. Therefore this is an ideal combination for a close, personal relationship whether it is a close friendship or love relationship. Emotional bonds are important in personal relationships and when two people's Moons are in a positive aspect there is a feeling of empathy and understanding which is required for intimacy. Hilary and Bill can relax in the knowledge that they are compatible on an emotional level. Instinctively they feel comfortable in each other's company. They know how each other feels and are willing to consider their loved one's feelings along with their own. Hilary and Bill enjoy spending time in each other's company because intuitively they understand each other. At times they may feel surprised at the ease with which they both are able to spend time together. Of course all relationships undergo times of strain and tension. However, in times of anxiety Hilary and Bill both seek solace in the same manner thereby reducing the possibility of extra tensions resulting through misunderstandings. In fact simply being together comforts them. This is a most rewarding personal relationship.

Arguments can cause upset feelings in a relationship with this combination of planets. All types of associations can suffer some setbacks under this influence, but personal relationships are particularly fraught with difficulties. Friction seems to result no matter how Hilary and Bill try to approach each other on intimate matters. Hilary and Bill's relationship suffers because of unspoken problems, or perhaps either Hilary or Bill speaks their mind too often. Either way the problem is communication. No matter how hard both Hilary and Bill try they cannot seem to understand each other's way of seeing things and how each other feels. Hilary communicates on an intuitive or feeling level whereas Bill is the more rational thinker. As a result Hilary and Bill alternate between passion and rationality, having difficulty understanding the other person. Hilary and Bill's behaviour seems at odds with their needs,

and they do not seem to be able to comfortably settle down in the relationship. On a more positive note Hilary and Bill may not mind a little friction in their intimate relationship. However, it's more likely that Hilary and Bill would both do well to work on their communication skills. As a result Hilary and Bill can develop skills which help to overcome the problems enabling them to better understand each other.

Although there can be some difficulties with this combination, on the whole this is a positive combination. Hilary and Bill enjoy each other's company and feel a certain zest for life when together. Hilary and Bill share a need for fun-filled adventures and the capability of achieving their goals. They both feel that the world is their oyster which is ready to explore together. This can include holidays in far-away places, adventure travel and also encompasses any activity which expands their minds and views of life. This is a meeting of higher-minds. Hilary feels that Bill expands her horizons. Hilary feels safe and appreciated in this relationship. Bill knows that Hilary is a comrade in arms when it comes to fun and adventure. Bill knows that he is truly appreciated for his generosity and optimism. Together Hilary and Bill can conquer the world. Nothing seems too far-fetched. And this is where problems can lie. It is possible that neither Hilary nor Bill know when enough is enough. There is a saying that 'you can have too much of a good thing'. This is one of the underlying problems of this association. Hilary and Bill need to make sure that they do not become too grandiose in their dreams. Overinflated ideas of their capabilities are not helpful and can lead both Hilary and Bill into troubled waters. Another complication can arise if Hilary and Bill do not share the same values, because morals and beliefs play an important role in this relationship. However, if Hilary and Bill share the same beliefs and can exercise some restraint this can be a positive combination for a long-term relationship.

Orb 1°41' Separating*

The saying 'expect the unexpected' could be applied to this combination of Hilary's and Bill's planets. There is an element of excitement and adventure when Hilary and Bill get together, but there is also an element of insecurity. Both Hilary and Bill enjoy the thrill of being in each other's company exploring new territories together, but many relationships start with the thrill and ardour of romance only to have it fade later. This is the problem to be faced by Hilary and Bill. Unless they have other connections between more permanent or personal planets in their charts, Hilary and Bill are in danger of a growing discontent. There is a lack of stability that feeds both Hilary's and Bill's insecurities. Hilary becomes needy and Bill becomes distant and emotionally withdrawn. The problem is that Hilary feels that she cannot rely on Bill. What was once an adventure no longer seems so exciting. As a result Bill's impulsive nature becomes a source of discomfort for Hilary. On the other hand Bill thinks that his creativity is being stifled by Hilary's emotional needs. This belief may cause Bill to rebel, finding it difficult to commit to Hilary. This relationship, if a personal one, is likely to require a lot of freedom and an unorthodox approach in order for it to last. While this is a difficult combination for a personal union, it can be a positive one for less personal relationships such as friendships or a working project which requires creative and innovative ideas.

*Hilary's Moon Square Bill's North Node
Orb 4°34' Separating*

This is a significant combination in relationship astrology, indicating a strong emotional

bond with far-reaching consequences for both Hilary and Bill. When Hilary and Bill meet chances are that their emotional lives are irrevocably changed by the experience of their union. Whether lovers, friend or colleagues Hilary and Bill have to contend with strong feelings. It is possible that their relationship is fraught with emotional difficulties which need to be overcome in order for the bond to be long-lasting. There is a saying, "the path to true love is not easy". This is certainly true for Hilary and Bill.

The importance of communication in relationships cannot be emphasised enough. Without understanding of another person's point of view and the ability to communicate one's own thoughts and feelings a relationship can easily breakdown. This is a difficult combination for communications in a relationship. Hilary and Bill have difficulty understanding each other's point of view. They cannot communicate their thoughts and feelings easily. Consequently Hilary and Bill have trouble being together and a certain tension exists in the relationship. Hilary needs to be wary of having too much pride, of trying to override Bill's views through sheer force of personality. Hilary takes a superior attitude to Bill, which proves detrimental in the long run. Bill feels misunderstood, knowing that his ideas are so different to Hilary's. There is a danger that Bill starts keeping his thoughts to himself thereby blocking any chance of communications improving. As long as both Hilary and Bill continue to try to overcome these obstacles then their union has a chance for success. They may find it of benefit to take time out and write down their thoughts and feelings during times of stress rather than speaking on the spur of the moment.

Hilary's Sun Square Bill's Saturn

Orb 0°10' Separating

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Sun is important, providing the cement for a long-lasting relationship. In other words, a serious planet is needed for a serious, meaningful union such as marriage. It is certainly true that the combination of the Sun and Saturn is found in many meaningful relationships. However, the planet Saturn can also cause problems. Certainly this combination indicates that Hilary and Bill both view this as a serious association, whether it is a marriage, friendship or a working partnership. Both Hilary and Bill are committed to their association. It is likely that they experienced a strong attraction in the initial stages of their relationship. When Hilary and Bill first met they each knew they had discovered a potential serious relationship, one to which they could commit and build on over a lifetime. If they believe in reincarnation, then it is likely that they felt a karmic attraction when they first met. Perhaps this was a moment of recognition when they first looked into the other person's eyes. However, the very qualities, which they seriously considered as attractive in the initial stages of the relationship, can become the source of friction if they are not careful. In particular, Bill needs to be wary of becoming too critical and judgmental. Initially Bill found Hilary's personality traits to be worthy of a committed union. He admired Hilary's qualities as complementing his own. However, it is easy for Bill to forget this attraction. As the relationship develops he feels threatened by the force of Hilary's personality and takes a superior attitude in defence. As a result Hilary feels threatened, disliking the authoritarian side of Bill. If Hilary is not careful her self-confidence is whittled away and the relationship becomes onerous. It is vital that both Hilary and Bill work at developing a stable basis for communication and understanding in this relationship. If both Hilary and Bill work at maintaining their own self-confidence as well as mutual respect then they have the makings for a very successful marriage or working relationship. Much of their success may depend on

other supportive, positive connections between them.

Destiny plays a strong role in Hilary and Bill's relationship. There is an instant attraction, a spark that ignites the feelings of both Hilary and Bill. However, fate can be a cruel mistress. This relationship is fraught with problems that Hilary and Bill find difficult to understand and solve. In particular Bill feels that her light is hidden under a bushel. He struggles to express [his/her/] true self. Perhaps Bill owes Hilary a favour that seems never to be fully repaid or may Bill have an inexplicable sense of responsibility for Hilary. Whatever the scenario both Hilary and Bill face certain challenges before reaching a full understanding of this union.

Hilary's Mercury Semisquare Bill's Mars

Orb 0°02' Applying

A feisty relationship is the result of this combination of the planets Mercury and Mars. When

Hilary and Bill are together the sparks fly. The nature of these sparks depends on other aspects of the relationship. On the one hand Hilary and Bill may be positively stimulated by each other's company, enjoying lively conversations and energetic activities. Both Hilary and Bill learn much from each other and may enjoy facing challenges together which in turn help them to move forward in their own lives. However, it is more likely that this combination indicates a combusive reaction when Hilary and Bill are together. The relationship is likely to be fraught with misunderstandings and angry reactions. In particular Bill is aggressive, perhaps even trying to bully Hilary to do things his way. Bill honestly believes that he knows what is right for Hilary and energetically sets about trying to achieve his goals. However, Hilary resents these tactics and becomes critical of everything that Bill does. There seems to be no middle ground and tempers are frayed. Hilary is usually able to have the last word, but Bill knows how to act in a way that is guaranteed to escalate any argument. Of course there is always the possibility that both Hilary and Bill enjoy the drama of this relationship. However, if this is not the case then the lesson is to learn to respect each other's differences and to channel all of the energy created by this partnership into positive activities and lively discussions.

Hilary's Mercury Quincunx Bill's Uranus

Orb 0°15' Applying

A lively and unpredictable relationship is the result of this combination of planets. Hilary and Bill enjoy the meeting of two minds and the sense of freedom that they experience in each other's company. At first they both enjoy the tension that crackles between them, but this soon becomes irritating. The problem is that there is no peace to be experienced in this relationship. The constant tension of two people having different ideas is a challenge. What seemed like a meeting of two minds soon becomes a clashing of two minds. Another obstacle to a close bond is a lack of commitment. As the relationship develops Hilary and Bill realise that it is difficult for them to predict the outcome of their union. In particular Hilary experiences discomfort because of Bill's unreliability. Even if Bill is usually a reliable person, he seems unable to be constant in his association with Hilary. This is a difficult combination for a personal relationship, although it can work depending on other aspects of the relationship. It is difficult to find a balance in a friendship or work association.

Hilary's Mercury Semisquare Bill's Neptune

Orb 0°27' Separating

This is an inspirational relationship whether it be a romance, friendship or a creative working partnership. Both Hilary and Bill feel excited by this union. Their imaginations are enlivened. However, it is also a difficult combination of the planets Mercury and Neptune. Hilary and Bill need to ensure that they face this relationship honestly. Otherwise they may both be caught in a web of deceit. This could mean viewing each other with rose-coloured glasses, failing to realistically assess the merits of their association. However, it could also be possible that the relationship has an element of deceit or abuse, in particular drug abuse. Both Hilary and Bill could feel disillusioned by their association. It is important that they ensure that the creative, rather than the destructive, elements of their union are emphasised. Perhaps working on an artistic, spiritual or philanthropic project would be beneficial. However, they need to ensure that this project is a positive and appropriate one.

Hilary's Venus Opposition Bill's Moon

Orb 4°04' Applying

When planets combine unfavourably in personal relationships it can produce either sparks, which excite both parties, or friction. Either way a challenge is presented which needs to be

met in order to succeed in the long term. With this combination Bill and Hilary have difficulty expressing their feelings and often feel misunderstood by each other. Bill and Hilary have trouble relaxing and feeling at ease with each other. There is a lack of harmony that troubles them. Bill and Hilary sometimes feel that they are battling to find shared activities that they can both enjoy. In extreme cases they may feel that they are fighting against the other person's involvement with an absorbing pastime. Or perhaps they feel that their partner stands in the way of them really enjoying their own pleasurable pursuits. No matter how much Bill and Hilary want to enjoy themselves, their partner seems to be standing in opposition, or determined to do their own thing. Depending on other aspects of their relationship and the nature of the combination of these planets, this can be a real problem. It's also likely that they have difficulty deciding how to save and spend their money. Bill is likely to feel some insecurity in the relationship. Hilary is likely to feel that the Bill's feelings and insecurities are holding her back from relating to other people and the world in the way that she wants. On a more positive note this combination can add a spark to life and keep Bill and Hilary willing to resolve difficulties to a satisfactory conclusion.

Hilary's Venus Square Bill's Pluto

Orb 4°22' Separating

This is a powerful combination of planets indicating a strong bond, whether in a friendship, love union or work association. Hilary and Bill experience a compelling attraction to each other, one that easily becomes passionate and intense. Depending on the nature of the relationship, Hilary and Bill could easily end up in bed together. Positively they are transformed by this relationship, becoming more influential and powerful in their own lives, even if initially they have to overcome moments of feeling powerless. However, they also experience intense emotional battles as the passionate nature of the union becomes difficult to control. If Hilary and Bill are in a romantic liaison, these emotional struggles can overflow into the bedroom adversely affecting sexual relations. It is also possible that this combination of planets indicates a love affair that is intense and fraught with emotional problems. While both Hilary and Bill experience the tension, Hilary feels more overwhelmed. She may even feel bullied by the strong personality of Bill. Hilary finds it difficult to live her life effectively while in this relationship. Bill struggles to understand Hilary and becomes impatient, wanting her to be more assertive. Bill doesn't realise how domineering he appears to be. The challenge for both Hilary and Bill is to direct their passion in a positive direction, possibly a shared artistic or creative pursuit.

Hilary's Venus Quincunx Bill's North Node

Orb 2°02' Applying

This is the combination of star-crossed lovers. The planet Venus and the North Node indicates a strong bond, but this blend is a difficult one. Fate has played a strong role in bringing Hilary and Bill together, but it also challenges their bond. Perhaps theirs is an illicit love or maybe they have difficulty reconciling their differences. Money may be a source of conflict. Hilary and Bill feel compelled to interact despite the difficulties. They are either passionate about each other or ardent about a joint artistic or creative project. This is a love story that needs to run its course.

Hilary's Mars Square Bill's Moon

Orb 6°17' Applying

In astrology Mars is the planet of drive and determination whereas the Moon is the planet of feelings. When these two planets form certain patterns the combination can be volatile. In this case there is a lot of friction in the relationship. Bill is likely to feel overpowered by Hilary.

Bill often wonders why he is so easily upset by Hilary. No matter how hard he tries to calm his emotions Hilary just seems to trigger heated feelings. Bill feels a strong attraction to Hilary, but he is also aware that this is a troubled association. It is likely that Bill believes that Hilary lacks sensitivity to his feelings. Hilary also senses the friction, but is perhaps not so bothered by it. Hilary is more concerned because at times Bill seems like a wet blanket. Hilary's patience is tested because she feels that she has to console Bill's feelings before she can achieve her goals in life. Hilary also feels a certain excitement in this association, but is aware that the tension can be an obstacle to fulfilment. If both Bill and Hilary are aware of the problems and face them with honesty then an understanding can be reached and a rewarding relationship result. When this occurs both Bill and Hilary begin to feel that their lives have become more effervescent with the advent of this relationship. This combination is most difficult for a deeply personal relationship such as marriage or a close personal friendship. It can be advantageous for a working relationship that requires a lot of hard work and energy. For instance, building a house together may be a good way of using the energy of this combination.

Hilary's Mars Conjunction Bill's Mercury

Orb 6°24' Separating

There is an instant spark of attraction when Bill and Hilary first meet, and this continues during the course of the relationship. The spark is likely to be an intellectual one, which may or may not result in a sexual attraction. Bill and Hilary are stimulated by each other's company, enjoying lively conversations and energetic activities. Both Bill and Hilary learn much from each other and enjoy facing challenges together which in turn help them to move forward in their own lives. This combination of the planets Mercury and Mars is ideal for any working association, which requires co-operation and drive in order to complete a challenging project. However, it can also be beneficial for personal relationships involving individuals who enjoy change and challenge. Bill is challenged to use his wits in this relationship. Hilary's drive and determination force Bill to clarify his thoughts and opinions. Bill is likely to find this aspect of the relationship exciting. In turn Hilary enjoys Bill's intellectual input which helps her achieve her personal goals. Together Bill and Hilary may dare to take risks in their lives which lead to adventures that might otherwise have been missed.

Hilary's Mars Sextile Bill's Venus

Orb 2°53' Separating

This is the ideal combination for a love union because it creates a strong sexual attraction and compatibility. Bill and Hilary are likely to fall in love at first sight enjoying a passionate union, the type of love affair featured in romance novels. The durability of the relationship depends on other connections between Bill and Hilary. However, if the love union is long term, both Bill and Hilary can rely on the sexual attraction to help them through troubled times. Bill and Hilary enjoy spending time together, in particular welcoming pleasure trips, romantic outings and artistic activities. They may also find pleasure in a joint creative project. Hilary is likely to be the more assertive partner, both in bed and out of bed. Hilary enjoys taking the lead and Bill is happy to acquiesce. While this combination is ideal for marriage or love affairs, it can also be a creative connection for friendships or work associations that involve working on an artistic project. However, it is important that both individuals remain focused on the creative project at hand unless a sexual flirtation is welcomed and appropriate.

Hilary's Mars Conjunction Bill's Pluto

Orb 2°09' Separating

This combination of the stormy planets Mars and Pluto indicates a passionate and compelling union. The atmosphere is explosive when Hilary and Bill get together. Sexual energy seems to simmer barely under control. Both Hilary and Bill need to be wary of letting the force of their heated emotions build up. They need a positive outlet for all of their pent-up energy whether this be a challenging home renovation project or a regular work-out at the gym. Together Hilary and Bill feel able to conquer the world and are certainly a power to be reckoned with. The initial stages of the relationship are fraught with sexual tension, but the union may not be an intimate one. Rather it may be a partnership committed to hard work and a challenging project. Either way as the relationship develops, the strong and creative force of both Hilary and Bill takes over and can be directed into a mutually-satisfying project. In other words Hilary and Bill can be passionate about each other or they can direct their passion into an external activity. Either way this is a dynamic and explosive relationship.

Hilary's Jupiter Square Bill's Sun

Orb 4°30' Separating

The Sun and the favourable planet Jupiter are combining, suggesting that this relationship is blessed with good fortune and a happiness in the short term; however, a long-term relationship may be fraught with insecurities. Initially Bill and Hilary feel a strong sense of togetherness, sharing many new and varied activities. Both Bill and Hilary feel that the other person is contributing positively to their lives. They feel more alive within this union. Gradually the excitement wears off and they become aware that they have very different philosophies on life. Whereas once Bill felt that her life purpose was expanded by the forward moving energy of Hilary, now he feels that Hilary doesn't know when to stop. He becomes aware that Hilary's values are very different and that this is hindering his ability to express his full potential. Hilary was once excited by the strength of Bill's purpose in life. However, now Hilary feels that her path is being blocked by Bill's stubborn personality. This combination brings benefits to the couple in the first throes of the relationship, but it is going to take work to maintain the relationship. The long-term success of this association depends on other connections between Bill and Hilary.

Hilary's Jupiter Trine Bill's Saturn

Orb 1°37' Applying

A strong bond is formed as a result of this combination of the planets Jupiter and Saturn, in which both Hilary and Bill learn a great deal from each other. In many ways Hilary and Bill take an opposing approach to their relationship. Hilary is more adventurous, keen to explore new territories. She takes a somewhat philosophical approach to this relationship. On the other hand Bill is cautious, often taking a slower and more practical outlook. Fortunately they enjoy these opposing qualities, finding equilibrium in their relationship. Bill finds his day enlivened by Hilary's personality. In turn Hilary enjoys having a stable and patient companion to bounce her ideas off. Bill learns much from Hilary's wisdom, gaining a greater understanding of his own nature. Together Hilary and Bill can achieve much success in either their personal lives or a joint project.

Hilary's Saturn Square Bill's Moon

Orb 1°00' Separating

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Moon is important, enabling the relationship to be long lasting. However,

this can also be a difficult connection. Bill and Hilary can both suffer from feelings of discontent and insecurity within this union. They work hard to cover up their sense that some emotional warmth is lacking, but there are times when they despair of getting their needs met. Bill feels this lack of emotional warmth keenly. It is difficult for him to relax and feel truly appreciated in this relationship. Hilary brings a certain coldness to the union, finding it difficult to generate emotional warmth. Hilary may feel that her attempts at intimacy are misunderstood and met with an overly-emotional reaction from Bill. Much work needs to be done in order to understand each other. On a positive note this combination of planets can indicate a committed to resolve difficulties. Therefore Bill and Hilary have the strong possibility of being able to stay in this relationship on a long-term basis and reap the rewards of a stable and secure union. A satisfying relationship can result from Bill's and Hilary's patience and persistence.

Many astrologers believe that a connection between the serious planet Saturn and a personal planet such as the Sun is important, providing the cement for a long-lasting relationship. In other words a serious planet is needed for a serious, meaningful union such as marriage. It is certainly true that the combination of the Sun and Saturn is found in many, meaningful relationships. However, the harmful planet Saturn can also cause problems. The extent of the problems varies according to the astrological aspect. Certainly this combination indicates that Bill and Hilary both view this as a serious association, whether it is a marriage, friendship or a working partnership. Both Bill and Hilary are committed to their association. It is likely that they experienced a strong attraction in the initial stages of their relationship, and it is likely to be long lasting. When Bill and Hilary first meet they each know they have discovered a potential serious relationship, one to which they can commit and build on over a lifetime. If they believe in reincarnation, then it is likely that they feel a karmic attraction, a moment of recognition when they first look into the other person's eyes. As a result Bill feels threatened, disliking the authoritarian side of Hilary. If Bill is not careful his self-confidence is whittled away and the relationship becomes onerous. It is vital that both Bill and Hilary work at developing a stable basis for communication and understanding in this relationship. If both Bill and Hilary work at maintaining their own self-confidence as well as mutual respect then they have the makings for a very successful marriage or working relationship. If this is the case they both benefit from the stability offered by this union, growing in integrity in their own lives.

This combination of the planets Mars and Saturn suggests a strong commitment in which Bill and Hilary struggle to understand each other. On the one hand both Bill and Hilary are committed to making this partnership work. On the other hand they face almost insurmountable difficulties along the way. Ancient astrologers consider the planets Mars and Saturn to have a harmful effect on humanity. Therefore this relationship is in grave danger of causing emotional or physical damage to both Bill and Hilary. The trouble is that they are

both determined to force their own egos on to each other, and can be quite brutal in their efforts to get the other person to do as they wish. They lack understanding and respect for each other. Bill tries to force his methods on to Hilary, only to meet Hilary's stubborn refusal to budge on certain matters. The challenge is a big one in this union. Both Bill and Hilary need to carefully consider the future of this relationship, knowing that only mutual respect and caring communication can shine a light on their difficulties.

The planet Saturn is a vital ingredient in relationship astrology. It is the planet that represents stability and commitment and is seen by astrologers as the necessary glue that holds a relationship together on a long-term basis. Of course not everyone is seeking long-term commitment, but for those who are Saturn is a welcome sign. In this case Hilary and Bill are approaching their union from different angles and this can be both beneficial and detrimental. On the one hand Hilary and Bill feel drawn to each other, recognising that they each have different traits to bring to this union. It is possible that, together, they may turn to drugs, alcohol or even crime in their attempts to maintain the loosening threads of their union.
